Aug 5&6

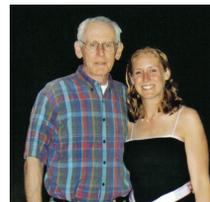

HISTORY OF OUR EVENT...

Having lost my dad to lung cancer in early 2005, I was determined to have an event at Freeman Bay in his honor. In memory of my dad's endless generosity to family, friends, and several charities throughout his life, I knew I wanted to give back to my customers, as well as raise money for charity. Someone offered to donate hot dogs for us to give away and almost immediately "Dogs for the Cause" was born.

The next step involved finding local sponsors for the event. Those sponsors chose between donating money towards the charity we had chosen or towards event supplies.

Thanks to all of our sponsors, last year we were able to give away free doughnuts & hot dogs all weekend, a tube, local gift cards, have event t-shirts & a radio station DJ, AND raise over \$10,000 for the Food Finders! We hope to gain your support for our 2023 "Dogs for the Cause" Event!! Thank you!

WHAT IS A Mobile Food Pantry?

The Food Finders Mobile Pantry Program directly serves people in areas where food is needed in an effort to supplement other hunger relief agencies. The mobile pantry truck travels around North Central Indiana providing nutritious perishable and non-perishable food. The truck provides at least 7,500 lbs. of food to each location, which is enough for 140 families to receive 40-50 pounds of food. Each truckload typically includes a variety of products such as frozen meat, canned goods, produce, baked goods, and laundry soap. The Twin Lakes Food Pantry is made possible through volunteers, generous donations and grants.

Why Did Susan Choose This charity?

So many people come to the Lakes from out of town and the people of Monticello open their hometown to us all summer. I wanted to shed light on a common problem that often goes unseen and I also felt it was important we give back to the local community. I am proud to be raising money for Food Finders and hope to bring more attention to this fantastic charity.
