Dogs For The Cause

This Year's
Charity:
Food Finders
Food Bank

July 25-26

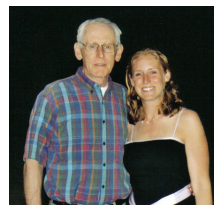

History of Our Event...

Having lost my dad to lung cancer in early 2005, I was determined to have an event at Freeman Bay in his honor. In memory of my dad's endless generosity to family, friends, and several charities throughout his life, I knew I wanted to give back to my customers, as well as raise money for charity. Someone offered to donate hot dogs for us to give away and almost immediately "Dogs for the Cause" was born.

The next step involved finding local sponsors for the event. Those sponsors chose between donating money towards the charity we had chosen or towards event supplies.

Thanks to all of our sponsors, last year we were able to give away free doughnuts & hot dogs all weekend, a tube, local gift cards, have event t-shirts & a radio station DJ, AND raise almost \$10,000 for the Food Finders! We hope to gain your support for our 2026 "Dogs for the Cause" Event!! Thank you!

WHAT IS A Food Finders?

Food Finders provides food and connections to life-stabilizing resources when their neighbors need them the most. Food Finders' programs include a Mobile Food Pantry, Fresh Market, Resource Coordination Program, Senior Grocery Program, SNAP Outreach Program, Education Program, Backpack program, and an Agency Partner Program.

Why Did Susan Choose This charity?

So many people come to the Lakes from out of town and the people of Monticello open their hometown to us all summer. I felt it was important we give back to the local communities. I am proud to be raising money for Food Finders and hope to bring more attention to this fantastic charity.

Deadline to have the name of your
