Susan's
Crew

Ashley-Erin-Emma-Morgan

This crew dedicates their entire summer to the boaters of Lake Freeman. They give up their summer holidays so you can enjoy yours. Over the upcoming holiday week, they will spend an insane amount of hours on their feet running up and down a dock to take care of you. Please treat them with respect and remember to be patient-they know whose turn it is and will work to get you out of here as quickly as possible!

This year's charity of choice is: Food Finders Food Bank Backpack Program for Twin Lakes!!

Please contact us ASAP if your business would like to be a sponsor!

Our "Dogs for the Cause" event is one we are proud to host each summer. We would not be able to have a successful event if it weren't for the generosity of ALL our sponsors that help us cover the expenses involved in putting on a weekend-long fundraiser. Every donation means the world to us, so please let us know as soon as possible if you'd like to join our list of sponsors for summer's BIG EVENT!

Sarcasm & Safety Served Daily!

Some people accuse us of being crabby when we share our rules or sarcasm.
At Freeman Bay, our number one priority is

SAFETY

at all times (for our customers AND our employees).

Please know that we have everyone's best interests in mind!

Please take your time when approaching our ramps, only come in at IDLE SPEED! Approaching at high speeds can result in serious injury to yourself or others. If you aren't confident in your approach and there's a boat on that side of the dock, please wait for that boat to leave before pulling in. The ramps can become slippery from time-to-time! BE CAREFUL when walking across the E-Z dock ramps! ATTENTION PARENTS: Please do not allow your kids to walk, run and/or play on them.

E-Z Dock Safety

Sending a guest out on your jet ski or boat and expect them to get gas?

Do NOT send them here unless they know how to answer the following questions:

"What kind of gas do you want?"

We offer Regular, 50:1 Mix, and Premium Gas

"Where does the gas go?"

For everyone's safety, we cannot answer these questions for you or your guest.

PRIVATE Freeman Bay Parking

"Where Should I Park??"

Please only pull into the three spots that are to the right of the boat lift. The open area to the left of our boatlift and to the right of our wave runner ramps is all **PRIVATE PROPERTY**

"But I'm Just Dropping Off..."

We refer to this as the "hover and drop off" move-it ALWAYS creates chaos and often leads to injuries. We don't care who you are dropping off (mom, dad, kids, friends, enemies) or what it's for (bathroom, ice cream, ice, snacks, air pump, candy, beverages, sandwiches, sunscreen, souvenir clothes -yes we sell it all) **please** pull into one of our three spots at Freeman Bay. We know you're tired of waiting in line, but it's for **everyone's** safety. Just remember, we're moving as fast as we can... and no one likes a boat that cuts in line!

THANK YOU for your SUPPORT

Freeman Bay is able to operate daily because you all have chosen us as your pit stop for refueling your boat or your belly! We appreciate your business and safely welcome you to the Freeman Bay Family!

★AS ALWAYS, SMOKING IS PROHIBITED AT FREEMAN BAY★
