Dogs for The Cause

9TH ANNUAL DOGS FOR THE CAUSE

LET'S REVIEW THE
HISTORY OF OUR EVENT...

Having lost my dad to lung cancer in early 2005, I was determined to have an event at Freeman Bay in his honor. In memory of my dad's endless generosity throughout his life, I knew I wanted to give back to my customers, as well as raise money for a good cause. Someone offered to donate hot dogs for us to give away and almost immediately "Dogs for the Cause" was born. We found local sponsors who donated money towards the event, as well as to the charity we had chosen. With the help of our sponsors and all of the generous boaters on Lake Freeman, we have donated nearly \$35,000 to charities since 2005! We thank everyone involved for their support and hope to see you again this year!

OUR CHARITY:

Food Finders Food Bank Backpack Program for Twin Lakes

The Backpack Program is designed to meet the needs of hungry children at times when other resources are not available, especially on weekends. School administration selects the eligible children. Then, a backpack filled with 6-8 pounds of nutritious, kid-friendly food is sent home each Friday. Volunteer Packing Partners fill the backpacks each week. The Backpack Program is made possible through volunteers, generous donations and grants.

Why Did Susan Choose This charity?

So many people come to the Lakes from out of town and the people of Monticello open their hometown to us all summer. I wanted to shed light on a commonly unknown problem and I also felt it was time we give back to the local community. I am proud to be raising money for Food Finders Food Bank and hope to bring more attention to this fantastic charity.

SAFETY TIPS

CAUTION

Whether you are @ Freeman Bay or out on Lake Freeman, we urge you to always be cautious! Please know that any of our "reminders" are so we can keep this a SAFE environment for you to be in (and us too)! Thanks!

Freeman Bay is not responsible for damages to your boat (or jet ski) when you are driving and hit our dock. Always remember, your boat is equipped with reverse, our dock is not. Please advise your passengers way ahead of time that in the event of your crash they should NEVER stick their arms or legs out to try and stop the boat from hitting the dock. THIS IS A BAD IDEA!

★AS ALWAYS, SMOKING IS PROHIBITED AT FREEMAN BAY★
