Let's Review the History of our Event...

Having lost my dad to lung cancer in early 2005, I was determined to have an event at Freeman Bay in his honor. In memory of my dad's endless generosity throughout his life, I knew I wanted to give back to my customers, as well as raise money for a good cause. Someone offered to donate hot dogs for us to give away and almost immediately "Dogs for the Cause" was born. We found local sponsors who donated money towards the event, as well as to the charity we had chosen. With the help of our sponsors and all of the generous boaters on Lake Freeman, we have donated over \$95,000 to charities since 2005! We thank everyone involved for their support! Our event also honors my mom, Susie, who was just as much an inspiration to me as my dad. She looked forward to serving hot dogs every year just so she could chat with all of you! She is sorely missed at our event each year!

SPONSORS AND BOATERS: THANK YOU FOR YOUR SUPPORT!

OUR CHARITY: Food Finders Food Bank Directly serves people in areas where food is needed in an effort to supplement other hunger relief agencies. Their mobile pantry truck travels around North Central Indiana providing nutritious perishable and non-perishable food. The truck provides at least 7,500 lbs. of food to each location, which is enough for 140 families to receive 40-50 pounds of food. Each truckload typically includes a variety of products such as frozen meat, canned goods, produce, baked goods, and laundry soap.

The Food Pantry is made possible through volunteers, generous donations and grants.

Why Did Susan Choose This charity?

So many people come to the Lakes from out of town and the people of Monticello open their hometown to us all summer. I wanted to shed light on a problem that often goes unseen and felt we needed to give back to the local community. I am proud to be raising money for Food Finders Food Bank and hope to bring more attention to this fantastic charity.
